

FOWL Board Call for Nominations

Since 1991, Friends of Wetlands has addressed local, as well as state and federal issues. FOWL has advocated for the protection of wetlands, provided scientific educational materials on many aspects of wetland functions and biodiversity and has published newsletters sent out to hundreds of supporters. All of our funding comes from the generosity of our members. No one in FOWL makes any money or is paid for the work done; we are a completely volunteer organization.

FOWL is transitioning to a new governance model and is in need of members to assume a variety of leadership tasks. Decisions will be made and announced at our annual picnic in June (date to be determined). This is your chance to nominate an enthusiastic wetland leader (or yourself) to serve on the Friends of Wetlands Board of Directors. Complete this form and forward it to:
